Summer Missionary Assistance Program

VOLUNTEER

SH NG

We realize that every summer you have a number of options as to what you should do . . . find a good-paying summer job to save some money, travel with your friends, or maybe, just maybe, spend your time at camp and see the Creator of the universe at work in the lives of hundreds of children.

S.M.A.P.?

A program that helps you gather a group of people around you who will partner with you in your summer ministry. **These people commit to pray for you, support the work financially, and encourage you through the summer.** It is not just you going to serve at camp, church or a community ministry initiative . . . it is your entire support team, partnering with you, to see what God will do.
